Writing Workshop participants, 30th March 2021

We are running FREE writing workshops for the membership to be held on the last Tuesday of the month from 1 - 4pm excluding August and December. The next workshop will take place on **Tuesday 25th May** and there will be a cap on 20 places (initially) on a first come basis.

To clarify, this is primarily a thinking and writing time away from the day-to-day stuff.

You will be supported to achieve the goal you set yourself (make it realistic) and build you confidence to share good practice and innovation through writing, which might include, abstracts for conferences, posters or just getting together some ideas.

Facilitators and peers will share tips and ideas to help you get started and help direct towards completion of the task you set yourself. The format can be seen below. There will be a small discussion about how to publish your work in a journal.
