

Stroke Association fellowship awards.

Applications for Postgraduate, Postdoctoral and Lectureship awards are now open. All three awards have Clinical-Academic pathways where candidates can combine research with clinical practice. The Stroke Association are running two webinars next week for prospective applicants. Each webinar will include a short presentation on the awards/application process led by Louise Flanagan (Head of Research) and Emily Wright (Research Officer) followed by the opportunity to ask questions. Links to the Eventbrite pages to register are:
